UNCHARTED WATERS - FAITHFUL GOD

How can you pray?

* For God's help and direction for our Training Event with student ministry leaders in Moncton, the beginning of June.

* For open hearts on the Dal Ag Campus and that God would break barriers.

* For Kathleen that she would truly understand Who God is as she presses in to know Him.

* For Tyler that the eyes of his heart would be open to Jesus and the love that He has for him.

* **We are still in need of a financial miracle** in our mission's funding in order to continue reaching out. Can your church help with a special offering? A massive thank you to all those who have given extra to help in the last months!

“So, what does the Bible mean when it talks about Satan? Is this just a word to summarize and convey the evil in the world?” This was one of many questions by a young lady that Lori is discipling. In a secular society with no Biblical framework or foundation in her life, this is all new information. But Kathleen is pressing in to know God. Tyler, a young man that Brent is discipling, is struggling to understand that he could possibly have any relationship with God; that God is more than a good philosophical concept. These are just two examples of many stories in a society where God has been edited out. He's not seen as relevant or even real.

CAMPUS MINISTRY... Pray with us for breakthrough! We are confident that God desires and IS changing hearts and lives. Students are hungry and searching. We have been meeting on the university campus in Truro throughout the year. However, though we have been granted permissions, our posters for events are being taken down by someone each time.

Our Faithful God is always working! We're honored to join Him in what He's doing. All For Jesus,

Brent, Lori, Saorsa, Aine, Ianna
